At your request, we have assembled samples and information for subject.

Samples included are as follows - (25-50, 8½"x11" sheets of each):

(1) Current 12# [redacted] Carbonless Paper - white.
(2) Current 10# [redacted] Carbonless Paper - white.
(3) Experimental [redacted] Carbonless Paper - white.
(4) Special brown image [redacted] Carbonless Paper - white.

These four sample groups are separately wrapped and identified and should remain so for future reference and identification. The felt side (preferred printing and imaging side) is marked on each set.

We recommend contact of our Paper Products Government Field Manager in Washington, D. C., for future cooperation and assistance where practical. His name and address are as follows:

[redacted]

Should he not be able to help them, he would of course be in touch with us here [redacted]

Thank you for this opportunity to submit material for a growing [redacted] Paper interest.
